Bethel Lutheran Church, White Rock, SC

Pentecost Sunday was a sight for sore eyes. As folks arrived at church for Sunday school and worship, we saw various shades of red because many decided to be festive and dress in our liturgical color for the day we celebrate the birthday of the Christian church. On top of that we had a variety of flowers in shades of red brought from different homes and, no doubt, nurtured with love and care to decorate our chancel to the glory of God. I had forgotten how much I love Pentecost. I love it when the church comes together for the common good (as Paul notes in Corinthians). During the sermon I encouraged those present to consider the gifts the Spirit has given them. Whether you know it or not, you are each blessed with gifts to contribute to the common good of the church and world. Singing. Teaching. Leadership. Kindness. Patience. Attention to detail. Care for neighbor. What is your gift? How can you use your gift at this time in your life to show God's love to others? How are you using it to serve the church? As we head into summer months, my prayer is that the Holy Spirit kindles the fire within us to serve. To listen and pray. To discern how God is at work in us and through us as we continue to be the church in the world today.

Peace be with you all,
Pastor Megan

JUNE WE CARE ITEMS NEEDED

You are so faithful to help us inform the community of our needs. The following items are needed this month: Vienna sausages, canned potatoes, spaghetti sauce, soup (all sizes and flavors), corn muffin mix, instant potatoes, ramen noodles, canned tomatoes, syrup, kids snacks, paper and cleaning products and toiletries. We are **critically** in need of these items! You may notice that the list looks very similar to May's list, and part of the reason for that is that we are still at extremely low levels of these same items. So we are praying for generosity of donations to help us stock our shelves – thanks for helping us do that!

Homecoming and Golden Age Sunday will October 8. Bishop Aibescher will join us. Mark your calendars.
